## **ANNUAL REPORT - (2023-24)**

Choosing a School for your child's education is a very important decision. A good educational background sets the foundation for a successful life with values, skills and expertise.

Shree Krishna International School is a hub of all activities and a place where we learn a lot new things. It is a successful school which cares for each child as an individual. As educators, it is our responsibility to provide school environment which will encourage students to do more and more than they may presently aspire to. At SKIS we balance academics & activities & take pride & responsibility in shaping a strong future generation of our country. We the team of SKIS help all the young minds to achieve multi-dimensional aninspirational goal.

During the academic year 202324-, the school was running online and offline due to Covid-19 epidemic. The classes from std-1 to 12<sup>th</sup> were conducted properly.
