CURRICULUM PLAN  
CLASS: XII-COMMERCE**

**SESSION 2025-26**

# ENGLISH

Month	Lesson & Topics	No. of Periods	Learning Objectives	Methodology/Activities	Teaching Aids / Resources	Experiential Learning	Assessment Tools	Learning Outcomes
April	The last lesson	3	Learning how patriotism also means love for one's language and other aspects of culture.	Reading/explanation.Group discussion	chart/dictionary/NCERT text book	Will enhance the communication skill	presentation of characters from story studied,pen paper test /mcq/oral test	Students will be able to understand the Importance of Education in one's life
	The third level	3	To understand the complexities of modern world	lecture method/Group Discussion	NCERT text book	Will enhance the critical thinking of the students	pen paper test /mcq/oral test	students will be able to overcome adverse circumstances in life
	My mother at 66	2	To recognize the place of mother	Reading/explanation metod.Role play	NCERT text book	Will enhance the communicationskill	pen paper test /mcq/oral test	To accept the reality of lifeand also that death is inevitable
June	Lost spring	3	To understand the importance of childhood	Lecture method/Group Discussion	NCERT text book	Will enhance the critical thinking of the students	pen paper test /mcq/oral test	To understand the plight of slum children
	The tiger king	3	Encourages readers with the ability to fight and overcome tough situations and overwhelming terror	Lecture method/smart boardQuiz	NCERT text book	Will enhance the communicative skill and critical thinking	pen paper test /mcq/oral test	steps to be taken to preserve tigers as they are becoming extinct
	An elementary school in a slum	3	Sensitization towards the critical issue of child labour and deprivation of the basic right to education in slum area.	Reading/explanation method.Group Discussion	NCERT text book	Will enhance the critical thinking of the students	pen paper test /mcq/oral test	To understand the pathetic condition of slum children

July	Writing Skills Notice/Advertisement	2	Learn new forms of advertising techniques	Format explanation/smart board. Wat test	chart/formats based on topics/NCERT text books	will enhance the creative thinking	pen paper test /mcq/oral test	students vocabulary will be enhanced.
	Deep water	2	How to overcome any kind of fear	Reading, Explanatory method/Quiz	chart/formats based on topics/NCERT text books	Will help the students in building confidence	pen paper test	To analyse one's own strength and weakness
	Journey to the end of the earth	3	To understand the damage caused by human impact on earth	Lecture method/Group Discussion	NCERT text book	Will help the students to understand the affect of global warming	Pen paper test/Mcq's	The students will be able to understand the true condition of mother earth
	Keeping Quiet	2	To understand the concept of introspection	lecture method/Group Discussion	NCERT text book	Will help the students to understand themselves in a better way	Pen paper test, oral questions, Mcq's	will help the students to understand the purpose of living in this World
	Writing Skills Poster/formal invitation and reply	2	Will enable the learners to express their ideas cohesively	Drawing posters for various reasons	Chart paper	Will help the students in showcasing their creative aspects	Drawing completion	Students will be able to portray their thoughts through creative medium
	The Rattrap	3	To understand the life of a vagabond	Explanatory method/Group Discussion	NCERT text book	students will understand the value of god's blessings in their life	Pen paper test, oral questions, Mcq's	Students will be able to understand the concept of kindness and humanity
	The Enemy	3	To understand the value of patriotism and duty in one's life	Task based learning/Quiz	NCERT text book	students will learn to perform their duty towards their country as well as society with utmost sincerity	oral test/Mcq's	To take firm decisions even in adverse circumstances
	A thing of beauty	2	To understand our surroundings with reference to	Reading/explanation./quiz	NCERT text book	Students will be able to understand the environment in a	oral test/Mcq's	students will be able to appreciate the free gifts given
AUGUST								

			Nature			better way		to human beings in the form of nature by god
	Business or official letter	2	To enhance the vocabulary of the students	Format explanation/Wat test	NCERT text book	students will be able to express their thoughts in more creative way	Pen paper test/Mcq's	students will be able to enhance their writing skills
	Indigo	3	To understand the sacrifices done by our countrymen to attain the freedom for our country	lecture method/Quiz	NCERT text book	Students will be able to understand the struggle done by the freedom fighters to attain freedom	pen paper test, oral questions, Mcq's	Students will be able to acknowledge the sacrifices done by our countrymen to attain freedom
	Should Wizard hit Mommy	3	To enable the students to respect generation gap.	Reading/Explanation/Role play	NCERT text book	To understand the difference between the outlook of a child in comparison to a mature individual	Pen paper test, oral questions, Mcq's	To understand that the decisions taken by the grown up person are based on their real life experiences
	A road side stand	2	To understand the plight of people who are not economically sound	Reading, Explanation/Quiz	NCERT text book	Students will be able to understand the plight of under privileged people	Pen paper test, oral questions, Mcq's	Students will be able to understand the condition faced by the people who earn their living on daily basis
SEPTEMBER	Writing skill letter to the editor/job application	2	Will enhance the creative Skill	Format explanation/Wat test	NCERT text book	students will be able to express their thoughts in more creative way	Half yearly examination	students vocabulary will get enhanced
OCTOBER	Poets and Pancakes	3	students will learn the art of time	Lecture method/Skit	NCERT text book	Students will be able to value time and not	pen paper, oral test, Mcq's	Students will utilize their time in fruitful

November			management			waste it unnecessarily		manner
	On the face of it	3	to enable the learners to view others by removing the glasses of prejudice, hatred and dislike.	Reading, explanation/Group Discussion	NCERT text book	Students will learn to treat handicapped people equally	penpapertest, oral questions, Mcq's	students will learn to be kind towards disabled
	Aunt Jennifer Tiger	2	the learners will know about the constraints a married women faces in her life	Explanatory method/Group Discussion	NCERT text book	Will enhance the critical thinking of the students	penpapertest, oral questions, Mcq's	students will be able to analyze the condition of women in society
	Article Writing	2	to enable the learners to express their ideas fluently, chronologically and concisely	Format explanation/group discussion	NCERT text book	Their creative writing would be analysed. The interpreting and evaluative skills would be strengthened	class test	The Students would develop an interest towards writing. Their planning and organizing techniques would be enhanced
	Debate	2	to enable the learners to express their ideas fluently, chronologically and concisely	The format, rules, technique would be discussed/group activity	NCERT text book	will enhance the communication skill	Debate to be conducted in the classroom on the given topic.	Public speaking skill will be developed.
	The Interview I & II	3	the learners will learn to manage time in a better way	peer to peer teaching/group discussion	NCERT text book	Students will learn to manage time to pursue their creative work	penpapertest, oral questions, Mcq's	General public will understand that celebrities also need time and space to live their life.
	Evan's tries "O" level	4	To enable the learners identify the complexities which comes with	Lecture method/group discussion	NCERT text book	learn to appreciate the ingenuity and the mechanism of a sharp	penpapertest, oral questions, Mcq's	The learners will be able to familiarize themselves with

			teenage			and intelligent mind		specific background of the cat and mouse role of the police and the criminal.
December	Speech	2	to enable the learners to express their ideas fluently, chronologically and concisely	Format explanation/group discussion	NCERT text book	will enhance the creative skill	class test	Writing Skill of the learners will get enhanced
	Report Writing	2	to enable the learners to express their ideas fluently, chronologically and concisely	Format explanation/group discussion	NCERT text book	will enhance the creative skill	class test	critical and creative thinking skill of the students will be enhanced.
	Going Places	3	students will be able to undrestandd their responsibility and devote their attention towards their duties	Explanatory method/debate	NCERT text book	will enhance the communication skill	penpapertest,oralquestions,Mcq's	Students will learn the difference between real and imaginary world
	Memories of Childhood	3	students will be able to understand the problems related to Casteism and racial discrimination	Readind,Explanatory method/peer to peer teaching	NCERT text book	will enhance the critical thinking	penpapertest,oralquestions,Mcq's	The learners would be able to sensitize themselves to the issues of estranged cultural ties.

Revision for Annual Exam

## ECONOMICS

Months	No. of Peroids	Topics & Sub-Topics	Learning Objectives	Teaching Tools /Resources	Methodology/ activities	Experiential Learning	Assessment Tools	Learning Outcome
APRIL	22	1. Develpoment Experience and Economic Reforms	1. Indian Economy on the eve of independence. 2. Indian Economy	news paper, magazine, internet	lecture method, discussion method, demonstration method, interactive method. Activity- buzz session	Everyone learns from each other's input and experiences.	pen paper test, class response, oral questions	students will know the state of economy(agriculture, service and industry) at the eve of independence.
JUNE	15	1. Develpoment Experience and Economic Reforms	2. Indian Economy 3. New Economic Policy (NEP)	News paper, magazine	Lecture method, interactive method. Lecture method and interactive method.	Projects, Company visit, Field trip & Survey	Smart Board PPT, s and ref book, Text book for Accountancy part -A by NCERT and Refresher by T.S.Grewal, P.C. Tulsian, Comprehensive	Pen-paper test, Numerical question will solve by students in class room, class response, and assignments.	Students will understand the meaning of statement under Companies Act, 2013, heads of balance sheet and statement of loss
	UNIT-2 Financial statement analysis- Comparative analysis	16	To familiarize the students about Meaning of Comparative statements, common size statements of profit and loss account and balance sheet.	Lecture method and interactive method.	Projects, Company visit, Field trip & Survey	Smart Board PPT, s and ref book, Text book for Accountancy part -A by	Pen-paper test, Numerical question will solve by students in class room, class	Students will be able to understand Comparative statements, size statements of profit and loss account and balance sheet.

September	UNIT-3 Financial Analysis/ Ratio Analysis	24	To familiarize the students about Meaning of Accounting Ratios:Objectives,classificationandcomputation. LiquidityRatios:CurrentratioandQuickratio. Solvency Ratios: Debt toEquity Ratio, Total Asset toDebt Ratio, Proprietary Ratioand Interest Coverage Ratio.Activity Ratios: InventoryTurnoverRatio,TradeReceivables Turnover Ratio,Trade Payables TurnoverRatio and Working CapitalTurnoverRatio. Profitability Ratios: GrossProfitRatio,OperatingRatio,Operating Profit Ratio, NetProfit Ratio and Return onInvestment.	Lecture method and interactive method.	Projects, Company y visit , Field trip &Survey	Smart Board PPT, s and ref book , Text book for Accountancy part -A by NCERT and Refresher by T.S.Grewal, P.C. Tulsian, Comprehensive accountancy	Pen-paper test, Numerical question will solve by students in class room, class response, and assignments.	Students will beable to understandth Accounting ratiosits importanceand solvethethe practicalquestionsom
September	UNIT-4 CashFlowStatement	16	To understand the Meaning, objectives andpreparation (as per AS 3(Revised)(IndirectMethodonly)	Lecture method and interactive method.	Projects, Company y visit , Field trip &Survey	Smart Board PPT, s and ref book , Text book for Accountancy part -A by NCERT and Refresher by T.S.Grewal,	Pen-paper test, Numerical question will solve by students in class room, class response, and assignments.	Students will beable to understandt ofcashflowstatement and willbeabletosolvethethepracticalc
October	VOL-I UNIT-1 NotforProfitOrganization	18	To familiarize the students about Meaning, objectives andpreparation not for profitorganizationreceiptsandpaymentsaccountincome and expenditureaccount Balancesheet fund based accountingpreparationofincomeandexpenditure account andbalance sheet	Lecture method and interactive method.	Projects, Company y visit , Field trip &Survey	Smart Board PPT, s and ref book , Text book for Accountancy part -A by NCERT and Refresher by	Pen-paper test, Numerical question will solve by students in class room, class response, and assignments.	Students will beable to organizationreceiptsandpaymentsacco and expenditureaccount Balancesheet fund based accountingpreparationofincomeand account andbalance sheet a willbeabletosolvethethepracticalc

October	UNIT- 2 Partnership Fundamental	15	To aware students about Meaning of Partnership:features,Partnership DeedProvisions of the IndianPartnership Act1932intheabsenceofpartnershipdeed. Fixedv/sfluctuatingcapitalaccounts.Preparation ofProfitand LossAppropriation account-division of profit amongpartners, guarantee ofprofits. Past adjustments (relating tointerest on capital, intereston drawing, salary and profitsharing ratio).	Lecture method and interactive method.	Projects, Company y visit , Field trip &Survey	Smart Board PPT, s and ref book , Text book for Accountancy part -A by NCERT and Refresher by T.S.Grewal, P.C. Tulsian, Comprehensive accountancy	Pen-paper test, Numerical question will solve by students in class room, class response, and assignments.	Students will be able to learn and understand the following-state the meaning and use of Partnership accounting, will be able to solve Questions based on P&L App and Capital Account & Past Adjustments.
October	UNIT-3 Valuation of Goodwill	10	To aware students about Meaning of goodwill, nature, factors affecting and methods of valuation-average profit, super profit and capitalization	Lecture method and interactive method.	Projects, Company y visit , Field trip &Survey	Smart Board PPT, s and ref book , Text book for Accountancy part -A by NCERT and Refresher by T.S.Grewal,	Pen-paper test, Numerical question will solve by students in class room, class response, and assignments.	Students will be able to learn and understand how goodwill is calculated by different methods.
November	UNIT-4 Change in the Profit Sharing Ratio among the existing partners	10	To familiarize the students about the sacrificing ratio, gaining ratio, accounting for revaluation of assets and reassessment of liabilities and treatment of reserves and accumulated profits. Preparation of revaluation account and balance sheet.	Lecture method and interactive method.	Projects, Company y visit , Field trip &Survey	Smart Board PPT, s and ref book , Text book for Accountancy part -A by NCERT and Refresher by T.S.Grewal, P.C. Tulsian, Comprehensive	Pen-paper test, Numerical question will solve by students in class room, class response, and assignments.	Students will be able to learn and understand the sacrificing ratio, gaining ratio, accounting for revaluation of assets and reassessment of liabilities of reserves and accumulated profits. Preparation of revaluation account and balance sheet.

November	UNIT-5 Admission of a partner	25	To familiarize the students about Introduction, Meaning of subsidiary books, cash book, single column cash book, Double column & petty cash book	Lecture method and interactive method.	Projects, Company visit, Field trip & Survey	Smart Board PPT, s and ref book, Text book for Accountancy part -A by NCERT and Refresher by T.S.Grewal, P.C. Tulsian, Comprehensive accountancy	Pen-paper test, Numerical question will solve by students in class room, class response, and assignments.	Students will be able to understand of Reconstitution of partnership at time of profit sharing ratio. And will be able to based on change in ratio and treatment and preparing Revaluation a/c, capital account, balance sheet at of change in ratio
December	UNIT-6 Retirement and death of a partner	24	To familiarize the students about effect of retirement /death of a partner on change in profit sharing ratio, treatment of goodwill (as per AS 26), treatment for revaluation of assets and reassessment of liabilities, adjustment of accumulated profits and reserves, adjustment of capital accounts and preparation of balance sheet. ## INFORMATION PRACTICES

MONT H	TOPIC / CONCEPT AND SKILL	No of Periods	LEARNING OBJECTIVE	METHODOLOGY	TEACHING TOOL/ RESOURCES	EXPERIENTIAL LEARNING	ASSESSMENT OF TOOLS	LEARNING OUTCOME
Apr	Introduction of Numerical Functions	10	Reindexing, and altering labels. 1D array, 2D array Arrays: slices, joins, and subsets, Arithmetic operations on 2D arrays	Experimental Learning, Demonstrative Brain storming, Interactive, Communicative	Student can now deal with computer	practiclly identify all the computer software and study deply about computer system	Given to identify more new devices and advance AI devices	Student are now aware about python numerical calculus
June	Introduction of Python pandas	8	Advanced operations on Data Frames: pivoting, sorting, and aggregation	Brain storming, Experimental Learning, Demonstrative, Interactive, Communicative	ready to identify hardware devices	we will recoginize device of computer in lab	Given to identify more new devices	Students are able to develop application of number using simple python.
July	Introduction of Python pandas part-2	15	Iterating over a DataFrame, Binary operation in a DataFrame, Descriptive Statistics with Pandas	Communicative, Experimental Learning, Demonstrative Brain storming, Interactive,	Conditional statements: if, if-else, if-elif-else; simple programs:	for example learning of these items absolute value, sort 3 numbers, divisibility.	anaconda software to running program of python	Student are now able to use, develop & debug programs independently.
Aug	Introduction plotting with pyplot	10	Basic concept of Data representation: Binary, ASCII, Unicode	Experimental Learning, Demonstrative Brain storming, Interactive, Communicative	Suggested programs: finding average and grade for given marks, amount calculation for given cost-qty-discount,	perimeter-wise/ area-wise cost calculation, interest calculation	List and dictionary: finding the maximum, minimum, mean; linear search on a list of numbers, and counting the frequency of elements in a list using a dictionary.	student are able to plot very creative graphs using python.

[illegible]
